

## “Good Morning and Welcome”

We want our breakfast to be the best you can have; therefore we have a wide-ranging menu to choose from. Special diets are no problem, if there is something you would like that is not on the menu, we will try to make that possible.

*Breakfast is included for all guests staying at Juliana’s Hotel, (unless otherwise arranged).*

*We offer our guests the choice of any **ONE** of the following items available.*

*We feel that our breakfast menu is generous; however guests who order additional menu items exceeding the guidelines on our menu will be charged the menu price of the lesser value.*
